T H E A

The image shows the word 'THEA' in a bold, black, sans-serif font. Each letter is filled with a solid black color. Small white arrows are placed on the letters to indicate the correct stroke order for writing. For the letter 'T', the top bar is written from left to right, and the vertical stem is written from top to bottom. For the letter 'H', the left vertical stem is written from top to bottom, the top horizontal bar is written from left to right, and the right vertical stem is written from top to bottom. For the letter 'E', the top horizontal bar is written from left to right, the left vertical stem is written from top to bottom, the middle horizontal bar is written from left to right, and the bottom horizontal bar is written from left to right. For the letter 'A', the top triangular part is written from top to bottom, and the bottom horizontal bar is written from left to right.
