Hellow my name Hayley I live in Ensay.
It is a very small town. Every morning I catch
the bus to school which is in swifts Creek.

I am 11 years old turning 12 on August the 11th. I'm in grade 6 and
a school leader. I am to High School next year. I like riding horses
and I have a horse called Miley and I used to have a horse
called Blaze. He was my favourite horse, but I love Miley a lot.
I like going to Mt Nunniong and shooting deer and camping. We use
camp fire to cook our food and hot drink while were up their. I was
not the afraid of the bush fires. After the bush fires there were massive
floods and the Tambo river went over the Great Alpine Road. During
the fires went to our Nan and Pops at Mallacoota, near New South
Wales, Witch is 4 hours away. We got stuck there for a mounth
and two days without parents and we missed them a lot.
I also have a young sister and Brother. They get very
annoying sometimes. Hope your well.

Thanks for your letter
